RB2 folks are available at 9:30 Wednesday. Just send call-in info, or we could use our NPDES call-in line.

Actually, we are also free all day Wednesday. It would be good to coordinate enforcement of the SSS WDRs and CD and the unannounced inspection.

Best,  
Jessica

Hi all,

On our end it is important to include Mike Chee and Mary Boyd. Can we reschedule this call for Wednesday morning at 9am or 9:30am, or Tuesday afternoon any time after 1pm? I am also unavailable on Thursday because I will be at an inspection.

Jessica

Few items to add:

Discuss EPA interest in observing sewer system audit at Russian River CSD (end of May) and other sewer audits planned for Eureka, Humboldt CSD, and Arcata inspections planned for end of June. After the meeting, I'll touch base with RB1 folks to clear.
